

# About the Teacher

Welcome to our 2011-2012 school year and our Kindergarten class! My name is Leah Wilcox. After leaving the military, I earned a Bachelor's degree in Nursing Science. During my varied experiences working as a R.N., I always pursued positions as a trainer or teacher. Upon my younger son's entrance into Kindergarten here at St. Anne, I decided to obtain my certification in teaching. Through the Region V Teacher Certification Program, I earned a General Education Certification in Early Childhood through Sixth Grade and also a Special Education Certification in Early Childhood through Twelfth Grade.

This is my second year teaching at St. Anne Catholic School. Last year, I taught third grade. I feel so blessed to be working in a Christ centered environment! I also enjoy teaching where my children also attend! I have a son, Van, in third grade and also a son, Cooper, in second grade. My husband works here in Beaumont as a firefighter. We live in Fannett, where we have a vegetable garden, lots of flower beds, and even a bee hive!

This year, I am looking forward to knowing you and your child. I am also excited about all the learning activities we have planned for our students. I hope you will be able to participate along with your kids in all the fun! If you have any questions or concerns, please let me know. My school email address is [lwilcox@stannecatholic.org](mailto:lwilcox@stannecatholic.org). I will be glad to assist you in any way possible!

Sincerely,  
Mrs. Wilcox
