

Jody Moss

5th Grade Language Arts

Dear Parents and Guardians,

My name is Jody Moss and I am blessed to be beginning my second year with St. Anne Catholic School. I am a native of Louisiana and a graduate of Louisiana State University. I moved to Beaumont in 2009 with my husband and three children who also attend St. Anne's. I very excited about getting to know your child and helping them achieve their goals.

The main goal of my course is to cover the fundamentals of grammar, spelling, vocabulary, writing and reading. Over the course of this year, we will introduce the students to a variety of genre in our exploration of books and build our writing skills as we explore the writing process. Lessons and projects will provide a differentiated learning experience so as to best meet the needs of your child.

Additional information about the class is provided in the parent letter on our webpage. Please read this as well as our classroom rules so that you are aware of our expectations for your child.

Your child's experience at our school is our most important concern. If you need to speak with me, please do not hesitate to contact the school at 409-832-5939 and I will call you at my next available conference period. You may also email during the day, but I may not be able to respond until the end of the school day.

I am excited about working with your child. I welcome questions or comments, and am looking forward to a great year!
