We will continue to introduce new sight words and letters every week. **Reading Folders:** Please do not send reading folders back to school until your child can read the book *fluently*.

**Math:** We have begun our unit on Money. Students are working on recognizing the value of a penny, nickel, dime, and quarter. We are practicing finding the value of a group of coins, trading and comparing money amounts. We have also been caught doing some Lucky Charm math 😊!

**Religion:** The students are learning that Lent is a preparation for the celebration of Easter. It is a time of prayer and a time for loving God and others. This week we are also discussing the life of St. Patrick and what we can do to reach our own pot of gold in the sky.

**Science / Social Studies:** We are continuing our units on Weather, Texas history and famous children's author, Theodor **Seuss** Geisel. We have been watching our bean garden grow! Ask me how many plants I have and how tall they are!
