

Dear Parents,

My name is Allie Atkins, and I would like to welcome your child to Pre-K. Let me tell you how thrilled and anxious I am to get the new school year started! I have been planning a productive and motivating year for the children.

As a Catholic Beaumont native, I attended St. Anne's from Kindergarten until 8th grade. I also continued my education by attending Monsignor Kelly Catholic High School for the next four years. I graduated from Texas State University- San Marcos with a Bachelor of Business Administration in Management in 2009. I was an active member and Executive New Member Educator in my sorority Chi Omega. I also was the Career and Personal Development Vice President for S.H.R.M (Society for Human Resource Management). I participated in Bobcat Build (San Marcos clean-up service event), Relay for Life, and the Make-A-Wish Foundation. After graduation I returned to Beaumont, enrolling at Lamar University in the Post Baccalaureate Teacher Certification program.

I am looking forward to getting to know both you, and your children this year. Pre-K students will achieve much this year in terms of academic growth, greater self-confidence and responsibility, and improved social skills. Good communication between parent, teacher, and student is very important for your child's success. One of my jobs as a teacher is to help your child discover his or her individuality and work alongside with them to maximize it. I believe in hands-on experiences, learning creatively and learning through play. I am really looking forward to a fun-filled and educational year!

If you have any questions or concerns please feel free to contact me on my school email: aatkins@stannecatholic.org or call the St. Anne's main office: (409) 832-5939.

God Bless,

Ms. Allie Shay Atkins
