## IT'S FALL! IT'S AUCTION TIME!

Each year, a very exciting part of the fall Dinner-Dance is the Silent and Live Auction. The baskets that are designed and donated by our students and parents are the most exciting of all. Lots of great ideas are coming together and everyone is asked to get in on the fun.

Homeroom Moms are working on coordinating all the items around themes that we know will generate much enthusiastic support and bring in big dollars for our school. Please remember that they have asked for all donations of items or money to be completed by Friday, September 18.

Don't forget to get your tickets for the "Rock You Like a Hurricane" event too so you can be there to watch the live auction take place. There's nothing quite as exciting as hearing that auctioneer banter! See you there.

## Sally Foster Sale to begin

We are excited to see lots of new products available in the 2009 Sally Foster sales catalog. We will kick-off the sale on Monday, September 28 and the students will have until Monday, October 12 to sell these great products to family and friends. Stock up on wrapping paper and gift items – Christmas will be here before we know it!
